

DID YOU KNOW?

We keep you well **INFORMED**.

Effective patient and family education is one of our most important priorities. That's why we cover the key things you need to know in our Patient Handbook. Every patient receives a copy when care begins. [Read it online here.](#)

We serve **ALL** of King County.

We serve seniors and their families throughout King County, from Bellevue to Burien, Shoreline to Seattle, Renton to Redondo Beach, and everywhere in between.

Home **SAFETY** is a priority for all.

Great home health care is critically important. But so is a safe, secure home environment, where risks of falls and other accidents have been identified and removed. Download our [Home Safety Checklist here.](#)

We want to **HEAR** from you.

Please evaluate how we're doing and share your ideas for how we can do better. You're an important part of our commitment to continuous quality improvement.
